

106TH CONGRESS
1ST SESSION

H. RES. 146

Providing for the mandatory implementation of the Office Waste Recycling Program in the House of Representatives.

IN THE HOUSE OF REPRESENTATIVES

APRIL 22, 1999

Mr. FARR of California (for himself, Mr. SHAYS, Mr. GEORGE MILLER of California, Mr. WALSH, Mr. BLUMENAUER, Mr. GILCHREST, Ms. PELOSI, and Mr. VISCLOSKY) submitted the following resolution; which was referred to the Committee on House Administration

RESOLUTION

Providing for the mandatory implementation of the Office Waste Recycling Program in the House of Representatives.

Whereas landfills throughout the Nation are filling up and the need for more efficient use of our resources grows stronger everyday;

Whereas the House of Representatives uses over 2,500 tons of recyclable paper products a year, yet only recycles a small portion of this waste;

Whereas the House of Representatives should set an example for the Nation by implementing a simple, efficient, cost-effective recycling program for all recyclable products;

Whereas the House of Representatives could save an enormous sum of money in hauling costs and landfill fees by increasing the percentage of its waste that is recycled;

Whereas the House of Representatives currently generates revenue by selling its paper products to haulers, and could significantly increase this amount with full participation by all House of Representatives offices; and

Whereas there are still problems with the collection and separation of the waste products from those offices who have chosen to participate in the Office Waste Recycling Program: Now, therefore, be it
